when brian de jongh's two classic companion guides southern greece and mainland greece were first published they were greeted with acclaim and immediately established themselves as essential guides they have now been combined into this single volume covering the whole of the greek mainland this new edition has been thoroughly revised by john gandon brian de jongh's nephew and geoffrey graham bell taking into account both new archaeological discoveries and recent development brian de jongh combined an expert knowledge of history archaeology and mythology with a profound understanding of the greek people and a feeling for the landscape which inspired their myths and monuments he describes a country that he loved and much of which pausanias writing almost two thousand years ago would still recognise this book is more than ever the most indispensable of all modern guides to greece

long overdue revised updated freshly illustrated edinburgh joins the companion guide series informative on edinburgh's and scotland's past and present edinburgh is one of europe's most elegant and cosmopolitan cities the old town rebuilt on the medieval street plan after being burned down by the english in 1544 and the eighteenth century classical new town more extensive than anything else of its kind in europe edinburgh was the capital of an independent kingdom for more than two hundred and fifty years and it has the air of a capital with buildings where kings were born or where some of their more prominent subjects were assassinated streets once trodden by mary queen of scots and bonnie prince charlie and a rich artistic life that comes into exhilarating full flower in august with the edinburgh festival edinburgh is also the gateway to some of the most spectacularly beautiful country in britain lying southward is the romantic landscape of the borders where alexander youngson is an admirable guide to the ruined abbeys the castles that have withstood countless sieges and the great houses still owned by families that the flood could not wash away a j youngson is former chairman of the fine art commission for scotland

has strong claims to be among the best guidebooks ever written sunday telegraph it is surely remarkable to write of a guidebook that it is difficult to put down but it is certainly true of this one economist calls our attention to everything beautiful historic or curious left in the heart of london sunday times david piper's classic book is the most elegant lyrical and stimulating of all guides to london written with undisguised enthusiasm intimacy and affection it traverses london from regent's park to lambeth from the tower of london to kensington with excursions on the river and forays to outlying points of interest each chapter covering an area which can be comfortably walked in a day the author draws out the individual

character of each district through history literature art and architecture and his own informed and entertaining comments this is an essential guide for those who really want to understand how london has developed it has been thoroughly revised and updated for this new edition david piper was an art historian director of the ashmolean museum oxford from 1973 1985 and before that director of the national portrait gallery london fionnuala jervis who revised the guide has edited and contributed to numerous historical and art historical publications and in the course of this revision has walked every step of the way in david piper s footprints from her home in kensington

the history and culture of madrid the cluster of historical cities at an easy distance segovia avila and toledo and the heartlands of castile the core of spanish civilisation this book performs with great thoroughness all the usual functions of a guidebook but it is much more than a mere inventory of buildings paintings sculpture routes and views supplemented by appendices packed with practical information the authors from their long experience and deep knowledge of the country are exceptionally well equipped to draw together into a coherent whole all the threads of history art culture and recent developments they steer you in most rewarding directions enlivening the hallowed hush of museum or sacristy with an original interpretation of some great painter el greco goya picasso or an observation which suddenly illuminates the seemingly unexceptional madrid rather than just a political capital at the geographical centre of the country is revealed as a true metropolis genuinely representative of all the aspects and regional variations of spanish life its art collections are justly renowned as superb add in the cluster of historical cities at an easy distance including segovia avila and toledo to say nothing of the lesser known treasures and delights secreted in the heartlands of castile and you have within a manageable compass the core of spanish civilisation
