a story of the psalms is an interdisciplinary project that is informed especially by synchronic approaches to reading the bible and the work of social scientists and theologians who have studies the contemporary landscape confronting religious communities particularly congregations specifically insights from narrative analysis are used to discern in the book of psalms a story with a plot that is told by multiple voices engaged with one another and with god as they address crucial junctures in israel s life these enduring voices offer guidance to congregations of an emerging church in a post christendom era

in 1820 a young farm boy in search of truth has a vision of god the father and jesus christ three years later an angel guides him to an ancient record buried in a hill near his home with god s help he translates the record and organizes the savior s church in the latter days soon others join him accepting the invitation to become saints through the atonement of jesus christ but opposition and violence follow those who defy old traditions to embrace restored truths the women and men who join the church must choose whether or not they will stay true to their covenants establish zion and proclaim the gospel to a troubled world the standard of truth is the first book in saints a new four volume narrative history of the church of jesus christ

of latter day saints fast paced meticulously researched saints recounts true stories of latter day saints across the globe and answers the lord s call to write history for the good of the church and for the rising generations doctrine and covenants 69 8

the ship was almost instantly in flames some jumped overboard immediately and all was in indescribable confusion the masts began to fall one after another and it is supposed killed great numbers by their descent others it is feared were roasted alive but the majority were drowned hull advertiser and exchange gazette 25 august 1848 the ocean monarch was only a few hours out of liverpool on 24 august 1848 when a cabin passenger shouted fire and all hell broke loose bound for boston with almost 400 people on board the emigrant ship was soon ablaze with little chance of putting the flames out people watched helplessly from their cottages along the welsh coast as some ships ignored the travellers plight while others raced to their aid on the 170th anniversary of the disaster gill hoffs reveals the full story of this forgotten wreck including tales of french royalty an american artist and a courageous stewardess who gave her life to save her fellow travellers discover what happened to the passengers and crew including james k fellows a kindly american jeweller trying to get home to his familyjotham bragdon the first mate who fled the wreck then returned to shore a heromary walter and her mysterious family escaping danger in london only to find greater peril lay at seafollow the murder trial of a crew of rescuers and find out the real fate of their victim and whether the mysterious irish toddler kate found her family again

this book explores the universal human existential trauma of original loss a trauma the author describes as arising from our primal human evolutionary loss of experiencing ourselves as innately belonging to and instinctively at home within the larger natural world in this trauma arose our existential awareness of impermanence and mortality along with the need to mourn that loss in order to create a sense of belonging and identity the book describes how the invention of art and group ritual became the collective ways we mourn our shared existential loss it describes as well how it is the art within the psychoanalytic practice that enables both patient and analyst to grieve their individual versions of our shared original loss drawing on the work of winnicott loewald and ogden as well as art theory and religion this book offers a new perspective on the intersection of metaphorical artistic thinking and psychoanalysis this book will appeal to psychoanalysts psychotherapists and scholars of poetic visual and muscial metaphor creativity evolution and history of art
